### **Testimonial for Stöckli Medical AG**

Since 2017 Stöckli Medical provides NuVasive Switzerland with an «all-round carefree package» for Customer Service & Logistics. Stöckli Medical has a very strong focus on delivering quality, exceeding customer expectations, are easy to work with and fully meet our high expectations. Therefore, we have agreed to set up another long-term service agreement.

I can really recommend Stöckli Medical - it is a great company to work with!
