

# 2ND ENDOSCOPY MEETING WITH REALSPINE TRAINING

Full Endoscopic Surgery for Lumbar Disc Herniations and First Experience in Stenosis Treatment

**NEW:**  
**FRI, 11<sup>TH</sup> SEPT 20**

13.45 – 18.15

Hôtel des Vignes, Rue du Pont 9,  
1958 Uvrier-Sion

**NEW:**  
**SAT, 12<sup>TH</sup> SEPT 20**

08.45 – 16.40

Hôpital du Valais, Avenue du  
Grand-Champsec 80, 1950 Sion

## COURSE DESCRIPTION

This symposium is aimed at surgeons interested in endoscopic surgical procedure on the spine with ideally basic experience in this technique.

The first part will be problem based presentations and discussions about technical and practical challenges. The objective of the second part is to shorten the learning curve for endoscopic surgeries. Therefore, each participant will have the opportunity for deliberate practice with several repetitions of the procedure on a realistic model.

## FACULTY

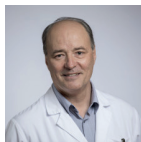

**Dr. Ali Güven Yörükoglu**

Clinical Manager

Consultant Endoscopic Spine Surgeon

## SCIENTIFIC PROGRAM COORDINATOR

**Dr. Jean-Yves Fournier, PhD**

Hôpital du Valais, Sion

## COURSE INFORMATION

- The course is limited to six participants
- For attending this educational event, participants will receive 8 credits from Swiss Society of Orthopedics and 12 credits from Swiss Society of Neurosurgery.
- Price per participant CHF 1'950.– (4 simulation models, faculties, hotel, food and drinks. The actual costs amount to approx. CHF 2'800. The difference will be paid by Stöckli Medical.)
- Technically supported by RIWOspine and Realists

## PRELIMINARY AGENDA

### FRIDAY

- 
- 13.45 Reception
- 
- 13.50 Gap Analysis
- 
- 14.10 Welcome Address
- 
- 14.25 Endoscopic Interlaminar Approach  
– My Biggest Challenges
- 
- 14.45 Patient Selection
- 
- 15.00 Presentation of Classical  
Procedure – Best Practice and  
how to Overcome Challenges
- 
- 15.45 *BREAK*
- 
- 16.05 Stenosis with Endoscopic Drills
- 
- 16.35 Peyton Modell
- 
- 16.50 Critical Surgery Technique Steps  
for Interlaminar Technique
- 
- 17.05 Intra Operative Tips & Tricks and  
Instrument Set Briefing
- 
- 17.45 Gibbs Reflection & Discussion
- 
- 18.05 Closing Remarks & Conclusion
- 

### SATURDAY

- 
- 8.45 Reflection
- 
- 8.55 Presentation of Six Core  
Competences Through  
Participants
- 
- 9.25 RealSpine Lab
- 
- 12.25 *LUNCH BREAK*
- 
- 13.25 RealSpine Lab
- 
- 15.55 Reflection
- 
- 16.15 Commitment of Change
- 
- 16.30 Summary and Conclusion
-
