

— HYBRID LIVE WEBINAR & IN-PERSON PRE-SSA EDUCATIONAL EVENT —

CERVICAL DISC ARTHROPLASTY SYMPOSIUM

The Current State of Total Disc Replacement (TDR) Treatment Options for Patients with Chronic Cervical Disc Disease

COURSE DIRECTORS:

Prof. Matthew Scott-Young, MD
Gold Coast Spine, Southport, Australia

Dr. Scott Blumenthal
Texas Back Institute, Plano, TX

ABOUT THE SYMPOSIUM:

This hybrid, live in-person/Zoom symposium uses lectures, case reviews, and discussion with expert spine arthroplasty faculty to cover topics including:

- Introduction, Evolution, & Future of Cervical TDR
- Indications & Techniques
- Evidence Based Practice
- Complication Management, Wear/Osteolysis, & Revision Strategies
- Case Discussions

DAY & TIME IN SYDNEY, AUSTRALIA:

Wednesday, April 3, 2024

- 8am - 5:30pm AEDT (GMT+11)
- 5pm (Tue., Apr. 2) - 2:30am EDT

FOR VIRTUAL ATTENDANCE:

Please register by **March 25, 2024** by contacting:

Sabine Dilger | s.dilger@centinelspine.com

SPEAKERS:

Prof. Dr. Rudolf Bertagnoli
Pro-Spine, Bogen, Germany

Dr. Dom Coric
Carolina Neurosurgery & Spine, Charlotte, NC, USA

Dr. Richard Guyer
Texas Back Institute, Plano, TX, USA

Dr. Dennis Hey
National University Hospital, Singapore

Dr. Todd Lanman
Lanman Spinal Neurosurgery, Beverly Hills, CA, USA

Dr. Thierry Marnay
CCV Montpellier, Montpellier, France

PD Dr. Christoph Mehren
Schön Klinik Harlaching München, Germany

Antonio Valdevit, PhD
S-E-A, Columbus, OH, USA

Dr. Jack Zigler
Texas Back Institute, Plano, TX, USA

April 3, 2024 (Begins April 2, 2024 in EDT)		LECTURE TOPIC	FACULTY
AEDT (GMT+1)	EDT		
8:00am	5:00pm (4/2)	Opening Session: <i>The Day's Objectives</i>	Scott-Young (In Person)
8:10am	5:10pm (4/2)	Introduction to Cervical Disc Arthroplasty: <i>A Brief History & Current Landscape</i>	Guyer (Virtual)
8:30am	5:30pm (4/2)	KEYNOTE ADDRESS The Evolution & Future of Cervical Disc Arthroplasty: <i>Where We Are & Where We're Headed</i>	Marnay (Virtual)
9:00am	6:00pm (4/2)	Indications for Surgery & Surgical Techniques: <i>Combining Patient Selection & Surgical Approach into a Focused Presentation</i>	Bertagnoli (Virtual)
9:30am	6:30pm (4/2)	Interpreting the Evidence: <i>What Short to Long-Term Studies Tell Us</i>	Zigler (In Person)
10:00am	7:00pm (4/2)	COFFEE BREAK	
10:15am	7:15pm (4/2)	Assessing Arthroplasty Function: <i>Understanding & Measuring Cervical Kinematics Post-Surgery</i>	Valdevit (Virtual)
10:45am	7:45pm (4/2)	Customisation & Innovation: <i>Level-Specific & Custom-Produced Arthroplasties</i>	Hey (In Person)
11:15am	8:15pm (4/2)	Interactive Case Studies: <i>Discussing Complex Cases & Decision-Making</i>	Mehren (Virtual)
11:45am	8:45pm (4/2)	LUNCH BREAK	
12:15pm	9:15pm (4/2)	Avoiding & Managing Complications: <i>Concisely Addresses Short, Medium, & Long-Term Complications</i>	Blumenthal (In Person)
12:45pm	9:45pm (4/2)	Osteolysis & Wear Debris: <i>Identification, Implications, & Management</i>	Scott-Young (In Person)
1:15pm	10:15pm (4/2)	Recognising & Managing Failures: <i>Strategies For Identifying Failure & Planning Revisions</i>	Lanman (Virtual)
1:45pm	10:45pm (4/2)	AFTERNOON BREAK	
2:00pm	11:00pm (4/2)	Comprehensive Review of Cervical Disc Arthroplasty: <i>Indications & Techniques</i>	Zigler & Coric (In Person)
2:30pm	11:30pm (4/2)	Comprehensive Review of Cervical Disc Arthroplasty: <i>Complications & Complication Avoidance</i>	
3:00pm	12:00am	Expert Panel Q&A: <i>Addressing Questions from the Audience</i>	Panel Discussion
3:30pm	12:30am	NETWORKING BREAK	
4:00pm	1:00am	Hands-On Workshops: <i>Breakout Sessions Focusing On Surgical Techniques, Complication Avoidance, & Revision Strategies</i>	
5:00pm	2:00am	Closing Remarks & Discussion: <i>Summarize the Day's Learning & Discuss the Next Steps For Research & Practice</i>	Blumenthal (In Person)
